Annex 4, The Ofcom Metering and Billing Direction, dated 15 July 2008
(formerly "The Oftel Metering and Billing Direction" issued in 2003)

Signed Issue Date 22 August 2008

On Behalf of BAPT Number BAPT/08/MET0072

This certificate has been issued by the British Approvals Board for Telecommunications in accordance with the Metering and Billing Approval Scheme of the British Approvals Board for Telecommunications. Conditions for the validity of this certificate, if any, are listed in the Annex. This certificate is not transferable and remains the property of BAPT.

This certificate is valid from 22 August 2008 until not later than the end of December 2010
The latest information on the status of this Approval can be found at <http://www.babt.com>

**APPROVAL IN ACCORDANCE WITH GENERAL CONDITION 11
AS NOTIFIED UNDER SECTION 48(1) OF THE
COMMUNICATIONS ACT 2003**

The British Approvals Board for Telecommunications (BABT),

- being an Approval Body as referenced in General Condition 11 contained within the Ofcom Notification dated 15 July 2008 under Section 48(1) of the Communications Act 2003 (hereinafter referred to as “the Act”),
- having on 20 June 2008 given notice to such persons as BABT considers appropriate of a proposal to give this approval,
- and having considered any representations received from such persons by 25 July 2008,

hereby approves, in accordance with paragraph 11.6 of the General Condition, the Mobile Total Metering and Billing System operated by Virgin Media which is used to provide the Public Electronic Communications Services listed in Section A, subject to the conditions listed in Section B which must be complied with if this approval is to apply.

A. Public Electronic Communications Service(s) within the scope of this Approval

1. Mobile Voice-Frequency Circuit-switched Telecommunications Services
2. Mobile SMS Messaging
3. Mobile Packet-switched Telecommunications Data Services charged per event
4. Mobile Packet-switched Telecommunications Data Services charged per volume of data borne

Other services may be available but which are not within the scope of the Approval

B. Conditions which must be complied with if this Approval is to apply:

1. Virgin Media shall advise BABT promptly if there is any reason to believe the requirements of the Oftel Metering and Billing Direction, dated 22 July 2003 (the "Direction") are not being met in relation to this Approval;
2. Virgin Media shall ensure that any proposed changes to the approved Total Metering and Billing System (TMBS) are appraised before being implemented in order to establish that the TMBS will continue to meet the requirements of the Direction;
3. Virgin Media shall provide to BABT, using measures accepted by BABT and in the manner agreed with BABT, regular monthly evidence to indicate whether or not the performance of the approved TMBS continuously complies with the requirements of the Direction;
4. No later than 1 December 2010 Virgin Media shall submit to BABT an application for Approval of the TMBS to the Ofcom Metering and Billing Direction which is used to provide the Public Electronic Communications Services listed in Section A that will be in service after 31 December 2010.

C. Documents Relating to this Approval

1. Communications Act 2003
2. Notification under Section 48(1) of the Communications Act 2003 (setting general conditions under section 45 of the Communications Act 2003), dated 22 July 2003
2. Notification of a modification under Section 48(1) of the Communications Act, dated 15 July 2008 (Modification to General Condition 11 on Metering and Billing), dated 15 July 2008
3. The Ofcom Metering and Billing Direction, dated 15 July 2008

The Interpretation Act 1978 shall apply for the purpose of interpreting this approval as if it were an Act of Parliament. Any word or expression used in this Approval shall unless the context otherwise requires have the same meaning as it has in the Act or in related documents
