**APPROVAL TO THE TECHNICAL REQUIREMENTS OF THE
UNITED KINGDOM OFTEL METERING AND BILLING
DIRECTION DATED 22 JULY 2003**

The British Approvals Board for Telecommunications (BABT),

- being an Approval Body as referenced in General Condition 11 contained within the OfTel Notification dated 22 July 2003 under Section 48(1) of the United Kingdom ("UK") Communications Act 2003,
- noting that Mobiltel EAD ("M-Tel") as a Communications Provider operating outside of the UK jurisdiction has applied voluntarily for Approval to the technical requirements of the UK OfTel Metering and Billing Direction, dated 22 July 2003,

hereby approves the Total Metering and Billing System operated by M-Tel which is used to provide the Public Electronic Communications Services listed in Section A, subject to the conditions listed in Section B which must be complied with if this approval is to apply.

A. Public Electronic Communications Service(s) within the scope of this Approval

GSM Voice Services (post-paid)
GSM SMS (post-paid)

excluding:

Services obtained through Dealers; and
Items related to the Points Scheme

Other services may be available but which are not within the scope of this Approval

B. Conditions which must be complied with if this Approval is to apply:

1. M-Tel shall advise BABT promptly if there is any reason to believe that the technical requirements of the UK OfTel Metering and Billing Direction, dated 22 July 2003 (the "Direction") are not being met in relation to this Approval;
2. M-Tel shall ensure that any proposed changes to the approved Total Metering and Billing System (TMBS) are appraised before being implemented in order to establish that the TMBS will continue to meet the requirements of the Direction;
3. M-Tel shall provide to BABT, using measures accepted by BABT and in the manner agreed with BABT, regular monthly evidence to indicate whether or not the performance of the approved TMBS continuously complies with the requirements of the Direction;
4. No later than 1 April 2010 M-Tel shall submit to BABT an application for continuation of approval of the TMBS which is used to provide the Public Electronic Communications Services listed in Section A that will be in service after 31 April 2010.

C. Documents Relating to this Approval
