This certificate has been issued by the British Approvals Board for Telecommunications in accordance with the Metering and Billing Approval Scheme of the British Approvals Board for Telecommunications. Conditions for the validity of this certificate, if any, are listed in the Annex. This certificate is not transferable and remains the property of BABT.

**APPROVAL TO THE TECHNICAL REQUIREMENTS OF THE
UNITED KINGDOM OFTEL METERING AND BILLING
DIRECTION DATED 22 JULY 2003**

The British Approvals Board for Telecommunications (BABT),

- being an Approval Body as referenced in General Condition 11 contained within the OfTel Notification dated 22 July 2003 under Section 48(1) of the United Kingdom ("UK") Communications Act 2003,
- noting that Turkcell İletişim Hizmetleri A.Ş. ("Turkcell") as a Communications Provider operating outside of the UK jurisdiction has applied voluntarily for Approval to the technical requirements of the UK OfTel Metering and Billing Direction, dated 22 July 2003,

hereby approves the Total Metering and Billing System operated by Turkcell which is used to provide the Public Electronic Communications Services listed in Section A, subject to the conditions listed in Section B which must be complied with if this approval is to apply.

A. Public Electronic Communications Service(s) within the scope of this Approval

**GSM voice services (postpaid and prepaid)
GSM data & fax services (postpaid and prepaid)
GSM SMS (postpaid and prepaid)
GPRS (postpaid and prepaid)
MMS (postpaid and prepaid)**

Other services may be available but which are not within the scope of this Approval

B. Conditions which must be complied with if this Approval is to apply:

1. Turkcell shall advise BABT promptly if there is any reason to believe that the technical requirements of the UK Ofcom Metering and Billing Direction, dated 22 July 2003 (the "Direction") are not being met in relation to this Approval;
2. Turkcell shall ensure that any proposed changes to the approved Total Metering and Billing System (TMBS) are appraised before being implemented in order to establish that the TMBS will continue to meet the requirements of the Direction;
3. Turkcell shall maintain a documented quality system that continues to comply with the BABT requirements;
4. Turkcell shall provide to BABT, using measures accepted by BABT and in the manner agreed with BABT, regular monthly evidence to indicate whether or not the performance of the approved TMBS continuously complies with the requirements of the Direction;
5. Turkcell shall permit access to all relevant personnel and facilities at the reasonable request of BABT in order to ensure the regular audit of the approved TMBS;
6. No later than **1 February 2008** shall submit to BABT an application for continuation of approval of the TMBS which is used to provide the Public Electronic Communications Services listed in Section A that will be in service after **29 February 2008**.

C. Documents Relating to this Approval

1. United Kingdom Communications Act 2003
2. Notification under Section 48(1) of the United Kingdom Communications Act 2003 (setting general conditions under section 45 of the UK Communications Act 2003), dated 22 July 2003
3. The United Kingdom Ofcom Metering and Billing Direction, dated 22 July 2003
